

ONES RESTAURANT AND LOUNGE

‘1111’ is believed to be a powerful universal number with connotations to new beginnings and successes. Those who continuously see this number sequence, are believed to have great things coming their way.

1111 is a restaurant that focuses on supporting the local community, we are committed to showcasing local talent and using local high-quality ingredients to create an inventive style of cuisine that celebrates the diversity of modern European elements, while staying true to our Asian identity.

The interior design, inspired by the natural rock formations of Antelope Canyon, creates an elegant dining environment that offers every one of you a unique and immersive experience for the mind, body, and soul.
